If you cancel within two weeks of the event, we cannot offer a refund, but we can transfer your registration to the 2023 event.

Event format

This event will be in-person at the venue indicated on the main page.

Vaccinations

We will be performing temperature checks before admittance to the registration area. Any person with a temperature outside of normal levels, fever level will not be allowed into the event. All badge holders at Vueconf.US must be fully vaccinated against COVID-19, bring proof of a negative Covid test taken within 48 hours of the event, or take a rapid (antigen) test on-site before checking in at the event. If you choose to take a rapid (antigen) test on-site, this will be supervised by a trained EMT. We will charge you for the test at cost.

Acceptable records include:

- Your physical COVID-19 vaccination/immunization card.
- A photo of the front and back of your vaccination/immunization card.
- A digital verification from a recognized smartphone application such as Clear.
- The name on your vaccination record must match your government-issued ID.

Masks

Masks are required for everyone at Vueconf.US 2022. This is subject to change following guidance from the Centers for Disease Control (CDC) and federal, state, and local requirements.

Masks must completely cover your nose and mouth and fit snugly against the sides of the face. Attendees will need to provide their own mask that complies with this guidance; face shields, bandannas, and masks with ventilation will not be allowed. Attendees may remove masks while eating and drinking.

Hand sanitizer will be available throughout the event space.

Policy enforcement & Health Checks

Please do not attend if you are sick or feeling unwell. There will be a daily temperature check before entering the venue for every participant regardless of vaccination status. A single violation of the rules can result in venue security or law enforcement removal from the venue.
